

Pelican Beach Park
1525 Highway A1A
Satellite Beach, FL 32937

Having been completely renovated in 2007, Pelican Beach Park is a wonderful place to have a family gathering or company picnic.

Due to the popularity of the park, the City requires that a permit be obtained in order to utilize the pavilions.

The playground and volleyball courts are open to the public and are well used.

During the summer months, the Sea Turtle Preservation Society conducts weekly sea turtle **Talks n' Walks**. The north dune crossover is called "Pelican" by the local surfers, and is where World Champion local surfers Damien and CJ Hobgood learned how to surf.
