

## Satellite Beach Sports Park

The Satellite Beach Sports and Recreation Park is a 35 acre hub of activity. At any given time, there will be folks enjoying the Skate Park, Dog Park, throwing a Frisbee on the soccer fields or playing volleyball. The walking trail is a good morning or late afternoon workout, as three times around equals two miles. The model airplane club flies at the park during weekday mornings, and you can always find someone fishing in the park's retention ponds.
