Discuss Volunteer and Public Works Activities

Finalize Adopt a Park Program

Kerry presented the Adopt a Park (AAP) recruitment flyer. Members were asked to review and make comments back before additional copies were printed. David Vigliotti will also provide the document he created that can be placed at various businesses. Once both recruiting documents are finalized, Kerry will send several copies of each to the Samsons Island members. The idea is for members to distribute these flyers around the area and also look to their personal contacts to see if they are associated with a church, group, interest group that might want to learn more about the AAP program.

Review Logo Entries

Kerry informed the Committee that students in a Satellite High School Art Class had provided logo's for the committee to review. Each member reviewed the art work and several projects were selected for further consideration. Kerry will work with SHS Art teacher Jason Carter and also obtain information on how to use the art work on shirts and on a sticker.

The meeting adjourned at 7:05pm.
